

Leisure Assessment Datasheet

Learner: _____ Date: _____

Staff initials: _____ Time of observation: _____

Factor	Definition	Potential Leisure Activity 1: _____	Potential Leisure Activity 2: _____	Potential Leisure Activity 3: _____
Verbal and nonverbal indicators of enjoyment	Verbal: Record verbal reports of enjoyment and/or discontent.			
	Nonverbal: Affect—how did the learner appear? Happy: what does this look like for them? Unhappy: what does this look like for them? (Note how data will be taken, e.g., frequency, duration, latency, interval, and how often it will be taken, e.g., continuous, intermittent, probe)			
Engagement	Define what engagement is for this learner with each activity. (Note how data will be taken, e.g., frequency, duration, latency, interval, and how often it will be taken, e.g., continuous, intermittent, probe)			
Choice in free operant situation	How often was this activity chosen, given the choice? How often was the activity independently initiated? Was the learner reluctant to terminate the activity?
